- Click **Save** to save your progress before you continue.
- Click **Continue** to go to the next page.
- Click a page icon to jump to that particular page.
- Click  to view more information about the question (if the administrator provided it). When finished, click **Close**.

- The remaining number of required fields displays next to each page icon and updates automatically as you enter information. The only exception is the **Food & Attendance** page: An asterisk displays for this page if there are missing fields.

If you need to exit the review and return later, click **Save & Exit Review** at the top of the page, or click **Save** at the bottom of the page and close the review. Your information is retained, and you can return to the review at a later time.

- Once you reach the **Finalize** page, ensure that all review components are complete. If you are missing required fields:

All required fields must be completed before the review can be signed and submitted.
Please complete the missing review details on the following screens: Main, Meal, Food & Attendance, Compliance, Paperwork, Other

- The number of missing fields is indicated next to the page icon (except for the Food & Attendance page, which is marked with an asterisk).

- Click the **Notes** box and enter any review notes. Click  to collapse this section. Click  to expand it again.

- In the **Signatures** section:

- If this is not a desk review, have the center representative sign the **Center Signature** box.
- If this is a desk review and you want to require an electronic signature, set **If this is a desk review, do you want to require an electronic signature?** to **Yes**. The provider will receive an email and a KidKare message prompting them to acknowledge and sign for their review electronically. For more information, see [Require Signatures for Desk Reviews](#).

- Sign the **Monitor Signature** box.

- Click **Complete**. The Confirmation page opens. Once you complete the review, the center receives an email and a message in KidKare alerting them that their review report is ready. They can download a copy of their review at the link in either one of these messages.

About the Food & Attendance Review Page

The amount of required fields on the Food & Attendance page varies depending on user input. For example, if you do not select a meal, meal components are *not* required. However, if you do select a meal, the components *are* required. For this reason, the remaining required fields are marked with an asterisk next to the page icon, and the page display changes as monitors complete the review.

1. In the **Meal Service Details** section:
 - a. Select **No Meal, Breakfast, AM Snack, Lunch, or PM Snack**.
 - b. If the center is approved for multiple servings, select the number of servings given at the meal (1 or 2). Then, select the time at which each serving was given.
 - c. Select the meal components served in the **Non-Infants** and **Infants** section.
2. In the **Milk Inventory On Hand** section:
 - a. Select **Pre-Serving** to record milk amounts before the meal was served, or select Post Serving to record milk amounts after the meal was served.
 - b. Enter the gallons of milk for each listed milk type.
3. In the **Food Served**, section, click the Attendance and Served Count boxes for each age group and enter the amount of participants who attended the meal and the amount of participants who were served a meal. KidKare totals these counts for you.

Age Group	Attendance	Served Count
0 - 5 Months Old	2	1
6 - 11 Months Old	3	3
1 - 2 Years Old	0	0
3 - 5 Years Old	10	10
6 - 12 Years Old	0	0
13 - 18 Years Old	0	0

4. When finished, click **Continue**.

Service Analysis for Texas Sponsors

2. Enter information, as required, and click **Continue** to move through the review pages.
3. When the Service Analysis page opens:
 - a. Click the **Category** drop-down menu next to each listed food (if available), and select the category to which the food belongs.
 - b. Click the boxes in the **Prepared** column for each age group, and enter the quantity of food prepared.
 - c. In the **Amount Sufficient** column, click **Yes** or **No**.
4. Repeat **Step 3** for each meal. You must complete these tables for both non-infants and infants.
5. When finished, click **Continue**.
